

Tommes Face Wakefield Tomorrow

Thomas Jefferson will be out to wreck the undefeated record of Wakefield Friday afternoon, when the two Junior high schools square off in a bid for the title. Stratford meets Williamsburg as the latters field in the other tilt, Swanson drawing the bye.

Wakefield boasts a 3-0 record in entering the contest, having won over Swanson, 13-0, Stratford, 12-6 and last Monday over Williamsburg, 27-6. For Thomas Jefferson, a scoreless standoff against Stratford opened the season with a bye coming the following week, and in their postponed game with Swanson this past Monday, the grapevine reported a victory but no official word has been received from responsible parties at the school.

Williamsburg will be seeking its initial win of the campaign, having lost to Wakefield and to Swanson, 19-0. Stratford is also without a victory, but claim the 0-0 tie with Thomas Jefferson while losing to Wakefield.

Two more weeks of action are scheduled for the Junior highs following Friday's games, as on October 29th Swanson is at Stratford while Williamsburg goes to Thomas Jefferson. Wakefield draws the bye but on November 5th they meet Swanson at Swanson and Thomas Jefferson moves over to Stratford. Williamsburg completes their season the previous week as they drew the November 5th bye.
